Minutes 16 March 1967

Present:

Mr. Brugioni

STAT

A. Approval of Minutes:

The minutes of 9 March 1967 were approved as written with the following change: First para under "A." should read - [redacted] has asked [redacted] and DIAMS to coordinate on this matter and we will resurface it again in the Production Board.

STAT
STATB. Old Business:Comments & Suggestions - PAG Proposed Scheduling/Control System for 3rd Phase Requirements

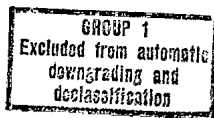

[redacted] announced the implementation of this program for the 3rd of April 1967 at which time representatives from the support Divisions will be asked to assist PAG in the scheduling and control of projects.

STAT

In answer to several questions [redacted] explained various aspects of the program and pointed out in particular that each Division Chief (PAG or Support) will be responsible to meet deadlines established - or to report to the PAG/IPS in time for corrective action to be taken, any problems they are unable to resolve.

STAT

Mr. Brugioni questioned as to what the procedure will be when requirements exceeds capacity. This was discussed as well as the trend for quick reaction papers by the analyst requester and his asking for the PI to summarize in a different format that which had already been reported out.
